2010 Inner City Projects Saves Lives— Center Street

Welcome back to our continued edition of Chat with God. Org News! It's a small way to thank all of you for all your hard work and prayers! Eternity minded! ~ Jen

PHOTO: CITY OF COSTA MESA REPAIRS GAPING HOLES AS A CITY IMPROVEMENT PROJECT FOR CENTER

“Behold, I am laying in Zion a stone, a tested stone, a costly cornerstone for the foundation, firmly place. He who believes in it will not be disturbed.” Isaiah 28:16

West Side Costa Mesa is a diamond mine full of 1950's homes in the alcove of Newport Beach with a limited spending budget and the passage-way of 95% Spanish population. Much neglected are the streets. With the use of the internet, photographs, before and after pictures, involvement with the city council, the Chatwith-God.org team was able to help replace fire hydrants, street lamps, mail

boxes, fill in deep pot street holes, to graffiti hotlines 714-327-7491. In every city there is a proper chain of command and direct contact of order; however, if a resident is not apprised of this direction his feats are useless. He travels in paths unknown in terms of trying to help apprise the leadership of the city with dangerous issues in need of repair. Ve Tran gave our president, Jennifer Webster, contact names to affirmation. We thank Ve Tran, Civil Engineer for City of Costa Mesa, 20 yrs Service-Retired-2010. To live fully, outwardly and inwardly, not to ignore external reality for the sake of the inner life, or the reverse--- that's quite a task." -Etty Hillesum Own your own talents...take the creative risk. Don't bury your gifts use them without regret! Life is over in a flash! Study the parable of the Talents in Matthew 25:14-30 to gain the full picture of this adventure. In February, our ChatwithGod team with struggling in the area of technology restoration of dozens of computer towers donated along with monitors, mouse companions, cords, to printers and speakers; however, we needed a volunteer with the skill to agreed to serve and deliver with his/her service. God delivered just in time. With Fred Herman of Newport Beach 949-813-6483 serving a weeks cause to not only our administrative office but over a dozen rehabilitation laptops and PC that were do-

nated back to the poor and pastors. We simple had the best team. Our volunteers taught , guided, and trained others with their bi-lingual skills. Thank you to Mark Millan and Morgan Webster who lead this last session.

"The Hamborg's are not only Business Donor's to ChatwithGod.org Ministry, amazing family artists', but long time friends. COMMUNITY

Few may comprehend that teen community service is a part of our local ChatwithGod.org Ministries outreach program. We serve a dual program through a friend recommendation only: 1) High School 40 hours of inner city community service partnership or 1) Probation Juvenile Hall Community Service with designated hours appointed by a

judge & probation officer. Mega accountability and

Newport Harbor High

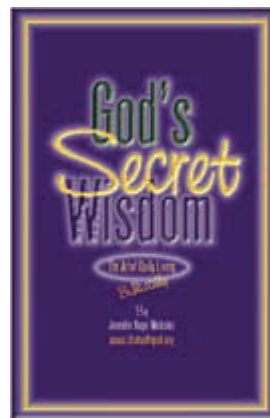

dedication go into each client. We are an approved 501 (c) 3 charity since 2004 and enjoy serving-giving back in optimal ways to elderly, disabled, teen centers, etc.- Christmas was a huge outreach this year! Thanks to the youth from Newport Harbor High School who are a feeder school who help wrap gifts to serve activities.

PRISONERS...Los Angeles Inmates

Last year, one hundred English Chat with God: 40 days, Prayer Journals distributed by Amazon & Booksurge were donated to Los Angeles Prison projects under Dr. Lillie PHD through the ChatwithGod.org Project partnered with a Bible donated by Gideon Bible Society. Dr. Lillie PHD and her Chaplain team mentored one on one and small groups. The inmates were so hungry

for more material, 100% of them verbally thanked our team while 25% sent thank you letters. We had to respond with more fellowship and Biblical content. So, we developed a personal letter for the prison ministry attaching a tool that can be freely downloaded and used to guide the inmates:
