Dearest Prison Inmates & Juvenile Hall friends,

We hope that this book inspires you and you realize the way you think. In reading **Chat with God: 40 Days, Prayer Journal**, the inspiration can direct us to change our way of life towards God. We hope you enjoy reading the book and using the prayer - writing tool as much as our team did in preparing the delivery to the prisons. It is one of our greatest joys and privileges.

Please know there is a prayer group behind this Chat with God project that continues to pray for you. We are praying for you specifically. Our team was overjoyed to read each and every letter. It's exciting to see a revival in the prisons. Dr. Lillie, PHD is extremely passionate about Christ. We are fortunate to know her personally. We are grateful to all chaplains who serve.

Continue to draw near to Biblical & Spiritual leadership in your life. The Bible will be your true North. Seek those things in your life. There will be your blessings and God's favor for you. Your peace! The Holy Spirit lives there: Love, Joy, Peace, Patience, Kindness, Goodness, Gentleness, Faithfulness, & Self-Control. These are free gifts from God. Seek after Him daily. Claim these gifts. Find Christian accountability in and out of prison.

After your Bible study with Chat with God: 40 Days Prayer Journal, we have another free study for you to print out from a computer printer. This is a not cost e-Book to everyone even your family and friends. Maybe they can help you?

[www.ChatwithGod.org](http://www.ChatwithGod.org) website has a free gift for you when you get a moment. If you have internal access or a family/friend can go to a library and print for free (or paper cost)... 35 pages "**God's Secret Wisdom: the art of daily living, biblically.**" It's a work book and Biblical study Guide that is a must that presents direction in chaos. You'll love it! We want to continue to receive your letters; however, we may not be able to always respond. Please accept our apologies.

*"I will praise the Lord, who counsels me; even at night my heart instructs me. I have set the Lord always before me. Because he is at my right hand I will not be shaken. You have made known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand."*
